

!!! Warning

- ✓ You may get this sort of a message, through your phone or PC, requesting for ASYCUDA Credentials. These are malicious acts to get hold of your accounts.
- ✓ Please make sure to NOT to click any other link, to connect with ASYCUDA, other than the given URLs, or the links published in the Sri Lanka Customs website.
- ✓ And also, if anyone has given his/her ASYCUDA credentials, through any of such means, immediately report to the Customs ICT Division.
