

Circular Ref. 42 of 2021.

13th August, 2021.

Attention – The Chief Executive Officer

VERY URGENT

Donation of Oxygen Delivery Devices to NIID/IDH, Colombo

The National Institute of Infectious Diseases (NIID)/IDH is the focal point and main referral center for clinical management of COVID-19 patients in Sri Lanka.

With the emergence of Delta variant of COVID-19, the number of patients who require **OXYGEN therapy** is increasing daily.

We have been requested by the Director, NIID to assist the hospital to have the following items on urgent basis.

- 1. Non-invasive ventilator (with BiPAP and CPAP) – 02 Nos. are required, each costing Rs. 1.4 Mn per unit**
- 2. High Flow Oxygen machine – 04 Nos. are required, each costing Rs. 2.1 Mn per unit**

Members are kindly requested to consider extending your support towards this worthy cause at this time of the hour.

Kindly keep us informed of your ability to sponsor one or more of these units, enabling us to introduce you to the NIID. Please note that the Ceylon Chamber of Commerce will not accept any cash donations. We will only co-ordinate between the NIID and the Donor.

We look forward to receiving your positive response immediately.

Sgd.
Manjula de Silva
Chief Executive Officer
