

Consequences for the fruit and vegetables?
New CAP and the EU draft regulation on packaging

This Thursday, 23rd March at 3pm (Paris/Madrid Time) [AREFLH](http://www.areflh.org) organises a hybrid public conference on the new CAP and the EU draft regulation on packaging: what consequences for the fruit and vegetables sector?

The event is co-organised with Afrucat and the agriculture department of the Catalonia Region

[Follow it on YouTube.](https://www.youtube.com/watch?v=...)

Find out about the programme and the speakers on www.areflh.org.

AREFLH, the Assembly of European Fruit, Vegetable and Horticultural Regions, has the following missions

- Representing its 16 regions and 38 member POs/POs from 10 countries in Europe,
- Defending the economic and social interests of the fruit, vegetable and horticultural sectors to the European authorities,
- Promoting exchanges of experience, partnerships and joint projects between regions and professional organisations,
- Proposing solutions on the main issues affecting the future of fruit and vegetable production in Europe.
