SAGT Customer Service Centre On-line Payment Gateway

South Asia Gateway Terminals (SAGT) launched its secure online payment gateway as the latest advancement of SAGT’s digitization framework, which closely follows the company’s introduction of the electronic Delivery Advice (e-DA) in May post the Covid-19 outbreak.

All Custom House Agents (CHA) registered with SAGT (registration available at www.sagt.com.lk under e-ports) may now directly pay SAGT on-line with a secure online payment facility, further enhancing an “ease of doing business experience” for clearing of import containers with SAGT.

Follow the simple process of;

1. Visit <https://www.sagt.com.lk> and click on “EDA LOGIN”

The screenshot shows the SAGT e-PORT website. At the top left is the SAGT logo. A navigation menu at the top right includes: HOME, ABOUT US, PORT OF COLOMBO, FACILITY, E-SERVICES, NEWS AND EVENTS, CAREERS, and CONTACT US. The main image is a 3D rendering of a port terminal with a ship named 'AEGEAN EXPRESS' docked at a pier, surrounded by stacks of containers and red gantry cranes. Below the image is a white box containing the 'ePORT' logo and the text 'Internet Information Exchange Service'. To the right of the logo, there is a paragraph: 'Keeping a track of your containers and monitoring their status is just a click away. We put you in control to access real-time information of containers and vessels at SAGT with e-Port.' Below this text are four buttons: 'EPORT LOGIN', 'SHIPPING LINES REGISTER', 'CHA REGISTER', and 'EDA LOGIN'. The 'EDA LOGIN' button is highlighted with a red rectangular border.
