Registration of CHA - e-documents to CICT

We have come to notice that there are many CHA's sending the e-documents to CICT from the common email address of the communication shops. Since this is the only access we have to the CHA the E-DA is also sent to this same e-mail address. As a result, there is significant delay in accessing these emails by the CHA and further there is a security risk in this process.

In order to mitigate this CICT is now requesting every CHA to register an e-mail address, which will be used for all documentation to and from CICT.

I would appreciate if you could please circulate this requirement to all relevant members.

Your kind support would be greatly appreciated.

If you require any clarification please contact Ajantha Ravinath on 076 6666901 or Asanga Suriyapperuma on 076 6666874
