

Registering for the online system and submitting applications online

We are pleased to announce that the Department of Import and Export Control has taken up the task of accepting applications online to provide a better service to all importers and exporters.

Accordingly, from 01.09.2021, all Import and Export holders, who obtain Import and Export Control Licenses are mandatory to register in the online system of our Department, to submit applications for Import and Export Control Licenses online.

Use <https://eservices.imexport.gov.lk/login> to access the online system.

Download the user manual with instructions for registration [here](#)
Applications can be submitted online after the registration and I kindly inform you that from 01.09.2021, applications will be accepted online-only.
