## **3<sup>rd</sup> Export Barometer Survey**

Dear Exporter,

The Ceylon Chamber of Commerce (CCC) in collaboration with the United States Agency for International Development (USAID) assisted Partnership for Accelerating Results in Trade, National Expenditure and Revenue (PARTNER) project is conducting Export Barometer Survey bi-annually. This is the third survey in this series with the [first survey](#) conducted in August 2021 and the second in February 2022. The previous survey findings can be accessed through the following link:

[https://www.chamber.lk/trade-watch/backend/public/uploads/attachments/article/ExportBarometerSurveyReport\\_FINAL\\_4May\\_1651648664.pdf](https://www.chamber.lk/trade-watch/backend/public/uploads/attachments/article/ExportBarometerSurveyReport_FINAL_4May_1651648664.pdf)

The findings from the first two surveys were valuable to policymakers (e.g., Sri Lanka Export Development Board) and the private sector including exporters and product/service associations in gauging business sentiments and recommending policy support.

We kindly invite you to participate in the third survey and provide **your invaluable inputs before 26<sup>th</sup> July, 2022**. Your answers will be completely confidential and anonymous.
