Driving long term
value through
environmental,
social & governance
excellence.

Best Corporate Citizen Sustainability Awards 2026

Celebrating Corporate Responsibility

The Best Corporate Citizen Sustainability Awards, organised by The Ceylon Chamber of Commerce, and now in its 23 year, recognises companies that lead by example - prioritising people, planet, and profit.

The Awards encourage businesses to incorporate the UN Sustainable Development Goals (SDGs) into their core strategies and operations

Whether it's climate action, ethical practices, or community impact, this award champions businesses that lead with action.

PROJECTS

BEST PROJECTS SUSTAINABILITY AWARDS 2026

Recognising Excellence in Sustainable Projects

The Best Projects Sustainability Awards, initiated in **2007** under the Best Corporate Citizen Sustainability Awards by The Ceylon Chamber of Commerce, honour impactful sustainability initiatives by public and private sector organisations.

The Awards showcase projects that address key sustainability pillars economic, environmental, social, and governance - whether integrated into core operations or extending beyond. From climate action and education to community upliftment and ethical governance, these efforts reflect a strong commitment to people and planet.

SUBMISSION OF APPLICATIONS

All private and public companies listed/unlisted, Government undertakings/institutions are eligible to apply. Holding companies should provide a list of all their subsidiaries and the application should cover details pertaining to all subsidiaries.

Applications should be submitted through the online platform, together with supporting documents. The applicants should provide information requested and relating to all aspects of Sustainability Economic, Environment, and Social - to be eligible for the Best Corporate Citizen-Sustainability Award.

Please refer the guidelines in the application form for further details. Application forms and guidelines are available at The Ceylon Chamber of Commerce Website

EVALUATION

In evaluating the applications, all questions addressed in the application will be considered. An independent Evaluation Panel will scrutinize the applications as per a predetermined marking scheme under each area as illustrated in the guidance document.

The short-listed applicants will be called upon to make a brief presentation and face an interview with the Panel of Judges and Panel of Evaluators which will also carry marks. The CEO and the Sustainability Manager should represent the company at the final interview. The decisions of the Evaluation Panel and the Judges will be final and binding upon all applicants. The Ceylon Chamber of Commerce may opt to use a digital platform for the interview process based on the challenges faced at the time of the final interviews.
